Dear VINOD KUMAR, PAN DBWPKXXXXG

1. It is noticed that a claim of refund has been made in the Income-Tax Return (ITR) for PAN:DBWPKXXXXG, for AY: 2025-26 filed by you. Processing of the said ITR has been temporarily kept on hold under risk management framework of the Income-Tax Department for the following reason/(s):

- I. You have claimed significant refund out of TDS deducted on receipt of Salary Income.
- II. There is a significant mismatch between the exemption claim in the ITR vis-a-vis amounts reported by the employer in Form 16 (Annexure-II), and this has resulted in a substantially high claim of refund.

2. Income Tax Department requests you to kindly review your ITR and ensure that these particulars are correct and backed by supporting documents. If required, you are requested to correct your claim of refund by filing a revised ITR to ensure the accuracy and completeness of your Return. However, if you don't act now, it may be construed as a deliberate choice. That may mean your case may be selected for detailed investigation.

3. As the time-limit for filing of revised ITR for A.Y. 2025-26 will expire on 31st December 2025, you are requested to avail this opportunity to file Revised Return within the due date if so required. Alternatively, you may file an updated return w.e.f. January 1, 2026, however subject to an additional tax liability.

4. In case a Revised Return has already been filed on the above referred issue, kindly ignore this message.

5. Your taxes play an important role in nation building. We appreciate your contribution and your commitment to fulfilling your tax obligation.

Kindly Note:

1.This communication is intended to alert you on any possible incorrect claims / omissions in the above-mentioned return of income.

2.This email has been sent to you as part of Income Tax Department communication. It is not a Notice.

Warm regards
Income Tax Department
